43/24. POLICE REPORT

1 crime of anti social behaviour was reported in April in the Eleys Lane area. It was noted that there was one domestic crime reported in May, in the Lee Avenue area, but this has not appeared on the website.

An update from the Boston Policing team had been received as well as the Policing Plan for 2024. Members expressed disappointment that there was no mention of areas south of the town, rural areas seemed to be largely forgotten.

44/24. CLERK'S REPORT

- A VAT refund of £428.78 has been received.
- The Clerk had been in touch with the Educational Opportunity Foundation, who operate the Berridge Trust, and they have no records of any grants to organisations in the parish. The Trust has an income of less than £1000 per year and only fund the

training of teachers in cookery or nutrition. They do not produce accounts or annual reports.

- Details of free training for CPR and defibrillator use had been received from the East Midlands Ambulance Service. It was noted that a training session opportunity had been taken up in the last two years, so any members accreditation would still be in date. Cllr D Reid wished to express her appreciation for the swift and professional service she had recently received from the Ambulance Service.
- It was noted that the sign in the Play area was very shabby. Quotes for a new sign will be obtained and discussed at a future meeting.

45/24. BIN SURVEY

The bin audit carried out by BBC Neighbourhood Services was discussed and it was agreed to take up the option to move the bin from outside of the play area and replace the broken wooden bin. The cost will be £102.87 plus VAT.

It was noted that waste bins for the Church area are supplied free of charge and it was agreed to ask for a general waste bin.

RESOLVED: that, the bin outside the play area will be moved inside, to replace the wooden bin, at a cost of £102.87 plus VAT. A general waste bin will be requested for the Church area. This is free of charge.

46/24 JOINT VILLAGES EMERGENCY GROUP

The notes from the last group meeting were accepted and the following proposals were considered:

- That Algarkirk PC is the lead PC for the purposes of applying for grant funding
- That Algarkirk PC, in partnership with the Village Hall Committee, purchase items for an emergency grab bag (approx. cost £180)

Both proposals were agreed in principle and it was also agreed to advertise for volunteers.

47/24. REPORT ON OTHER PARISH MATTERS

a) Village Hall – it was noted that the four-year electrical testing has been completed and it was agreed to ask for a contribution of £210 from the Village Hall Committee towards the total cost of £420.00. The certificate and invoice are awaited.

b) Playing Field – it was noted that Cllr Spiller had taken over as lead for projects for the pay back team. The team had recently cut the playing field grass and a discussion took place on whether they could carry out the grass cutting on a regular basis once the current contract expires. It was agreed to confirm this, along with schedule, ready for the 2025 season.

c) Churchyard – The Church break in was discussed. The Chairman had secured the window and reported the matter to the Police. The Chairman and Cllr Spiller had found evidence of drug taking and graffiti, there was also evidence of a homeless man sleeping at the back of the building. All members agreed that the building needed to be brought back into use to discourage damage and further break ins.

It was agreed to set up a meeting with the Diocese to discuss securing the building and starting the process of taking over control. It was noted that in the past Lincoln

University were interested in part funding a restoration project and contact will be made to see if discussions could begin again.
