Lego (KS1)
Well-being (KS2)
Computing (KS2)

School Council/Other elections

School Council, Little Fish, Wellbeing Ambassadors and the E safety committee are all actively in place and are a key part of our school life. Playground leaders are also up and running effectively at lunch and break times. The members of these groups have lead assemblies throughout the term as well as attending meetings and offering a strong pupil voice in many aspects of our school.

Collective Worship

Collective worship has been in person with Father Charlie, Reverend Sue and Open the Book. Children that attend Little Fish work on a series of Bible readings which they incorporate into our daily acts of worship.

Parents and families are invited to Celebration Assemblies and these are well attended. In addition to this, each class has shared a class assembly to showcase the work that they have been doing this term with the rest of the school and their families.

Parents, Teachers and Friends Association (PTFA)

The PTFA continue to be very busy and have raised money through various initiatives. An Easter Bingo event is planned for next week. Mrs Collett sits on this committee.
